

LISTING OF THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Claim 1 (previously presented) A scented product according to claim 7, wherein said product is a bracelet comprising a bracelet body, said sheet material covering the bracelet body, and said fragrance-containing microcapsule material adhered to the sheet material.

Claim 2 (original) A scented bracelet according to claim 1, wherein said microcapsule material is adhered substantially only to an inside surface of said bracelet adjacent to the arm of the wearer.

Claim 3 (original) A scented bracelet according to claim 1, wherein said bracelet body comprises an elastic material which permits the bracelet to be slapped onto one arm by a one-handed movement of the other arm.

Claim 4 (original) A scented bracelet according to claim 3, wherein said microcapsule material is adhered substantially only to an inside surface of said bracelet adjacent to the arm of the wearer.

Claim 5 (original) A scented bracelet according to claim 1, wherein said microcapsule material is adhered substantially only to an outside surface of said bracelet away from the arm of the wearer.

Claim 6 (canceled)

Claim 7 (original) A scented product comprising at least one body, a sheet material on the at least one body, and a fragrance-containing microcapsule material adhered to the sheet material.

Claim 8 (original) A scented product according to claim 7, wherein said at least one body includes a pair of bodies connected together, said microcapsule material being adhered to at least one of said bodies.

Claim 9 (original) A scented product according to claim 8, wherein at least one of said bodies includes an elastic material which urges said body automatically into a spiral shape.

Claim 10 (original) A scented product according to claim 9, wherein each of said two bodies includes an elastic material which urges said body automatically into a spiral shape.

Claim 11 (original) A scented product according to claim 9, wherein the other one of said two bodies includes an elastic material which stretches and contracts longitudinally.

Claim 12 (original) A process for manufacturing a scented product comprising the steps of:
providing a product comprising a body, with a sheet material covering said body,
and
applying a fluid to said sheet material, said fluid containing microcapsules which contain a fragrance.

Claim 13 (original) A process as claimed in claim 12, wherein said product is a bracelet.

Claim 14 (original) A process as claimed in claim 13, wherein said microcapsule material is adhered substantially only to an inside surface of said bracelet adjacent to the arm of the wearer.

Claim 15 (original) A process as claimed in claim 13, wherein said bracelet comprises an elastic material such that the bracelet can be slapped onto one arm by a one-handed movement of the other arm.

Claim 16 (original) A process as claimed in claim 15, wherein said microcapsule material is adhered substantially only to an inside surface of said bracelet adjacent to the arm of the wearer.

Claim 17 (original) A process as claimed in claim 12, wherein said fluid is applied by spraying.

Claim 18 (original) A process as claimed in claim 14, wherein said microcapsule material is adhered substantially only to an outside surface of said bracelet away from the arm of the wearer.

Claim 19 (previously presented) A scented product as claimed in claim 7, wherein said sheet material comprises a woven or non-woven fabric.

Claim 20 (previously presented) A scented product as claimed in claim 1, wherein said sheet material comprises a woven or non-woven fabric.

Claim 21 (previously presented) A process as claimed in claim 12, wherein said sheet material comprises a woven or non-woven fabric.

Claim 22 (previously presented) A process as claimed in claim 13, wherein said sheet material comprises a woven or non-woven fabric.
